

## **WANPELA ROT YU KEN BIHAINIM TAIM YU LAIK AUTIM GUTNIUS LONG OL JAHOVAH'S WITNIS**

### **1. SAMPELA TOK I GO PAS:**

1. Yu mas save Jahovah's Witnis em i man olsem yu. (i. e. Do identify with the Jehovah's Witness)
2. Wok strong long givim gutnius long em. (i. e. Do labour persistently with the Jehovah's Witness)
3. Wok strong long givim ansa long ol askim bilong em. (i. e. Do exhaust every effort to answer the questions of Jehovah's Witnesses)
4. No ken semim em tumas. (i. e. Do allow the Jehovah's Witness to save face)
5. Lus tingting olsem yu laik winim em, na semim em. (i. e. Don't approach a Jehovah's Witness with a spiritual chip on your shoulder)
6. Olgeta taim yu mas bel isi long em. (i. e. Don't lose your patience, regardless of how dense you may think the Jehovah's Witness is)
7. Beten na askim Holi Spirit long mekim gutpela wok insait bel bilong dispela manmeri. (i. e. You must not forget the Holy Spirit's central role in effective evangelism-with Jehovah's Witnesses and everyone else)

### **2. WANPELA ROT LONG GIVIM GUTNIUS LONG OL JEHOVAH'S WITNIS:**

1. Nambawan asua bilong olgeta Jahovah's Witnis em i dispela: Husat i gat save tru long mining bilong tok i stap insait Buk Baibel (i. e. Recognize the real problem when witnessing to a Jehovah's Witness is the question of religious authority).
2. Rot bilong helpim em long lusim strongpela laik em i gat long bihainim olgeta tok bilong Jahovah's Witnis sios em i olsem: 1) Soim em sios bilong em i bin tok giaman, na 2) Ol tising bilong sios bilong em i no stret (i. e. To destroy a Witness' blind obedience to the Watchtower Bible & Tract Society [Jehovah's Witness organization], you must show him/her that the Watchtower is not reliable. You must prove that the Watchtower is NOT God's visible organization on earth).
3. Nambawan rot bilong helpim ol Jahovah's Witnis lusim bilip em i gat long sios bilong em i olsem: Soim em Jahovah's Witnis Sios em i wanpela giaman profet, long wanem, ol lida bilong sios bilong em i bin tok giaman planti taim. Olsem na dispela tok giaman em bilong taim bilong kam bek bilong Jisas Kraus: (i. e. The most efficient way of destroying a Witness' blind allegiance to the Watchtower is to show from Scripture & official Watchtower literature that the Watchtower is a false prophet. And since it is a false prophet, it is unreliable and unworthy of trust or respect):
  - a) Soim em Baibel i tok klia, olgeta tok bilong ol profet husat em i tru i mas i stap tru olgeta taim, na karim kaikai olgeta taim! (i. e. Establish from Scripture that a true prophet of God will ALWAYS be infallible in his prophecies).

- b) Soim em Jahovah's Witnis sios i bin tok giaman long kam bek bilong Jisas **planti taim.** Ol lida i bin tokaut "Jisas bai kam bek long yia 1914, 1918, 1925 na 1975." Tasol Jisas i no bin kam bek pinis yet! Olsem na dispela tok ol i bin mekim, em i rong olgeta! (i. e. Show that in 100 years of giving prophecies, the Watchtower has had a 100% failure rate).
- c) Soim em Baibel i tok klia, man o sios husat i tokaut, "*Mi yet mi profet tru*" olgeta tok ol i mekim i mas karim kaikai olgeta taim. Sapos em i rong wanpela taim tasol, dispela man, o dispela sios em i giaman tru. Olsem na long dispela skel em i klia tru Jahovah Witnis sios em i wanpela giaman sios. (i. e. According to Deuteronomy 18:22 and Matthew 7:15-20, the Watchtower is a false prophet and does not speak in God's name. As such, the Scriptures command us not to fear, respect, believe, or trust what the Watchtower says).
4. Narapela samting: Klostu olgeta bilip Jahovah's Witnis sios em i holim, em i giaman tu! (i. e. Just as the Watchtower has been false in its prophecies, it is also false in its doctrines).
5. No ken tok pait wantaim ol Jahovah's Witnis, taim yu soim em sios bilong em i wanpela giaman profet (i. e. Do not spend time arguing over doctrine or biblical passages until you have caused the Witness to recognize and to acknowledge that the Watchtower is a false prophet).
6. Bipo yu pinisim toktok wantaim ol Jahovah's Witnis, givim testimoni bilong yu long em. (i. e. After instilling doubt about Watchtower authority, share your salvation testimony with them, and that you know-*right now*-that you are going to heaven).
3. **NARAPELA ROT YU KEN BIHAINIM LONG GIVIM GUTNIUS LONG OL JAHOVAH'S WITNIS:** (i. e. Another way of witnessing to a Jehovah's Witness). Askim em dispela tripela askim, long wanem em i ting em i mas mekim wok inap long taim em i dai pinis bipo em i ken save dispela.
1. "Yu stap pikinini bilong God nau, o nogat?" ("*Are you a child of God?*"). Aposel 26:17-18; Eph. 2:1-4.
2. "Yu bin kamap nupela gen o nogat?" ("*Are you born again?*"). Jon 3:3-6; I Jon 5:1.
3. "Yu bin kisim pinis laip i stap gut oltaim, oltaim, o nogat?" ("*Do you have eternal life?*"). I Jon 5:1,11-13; Jon 6:47.

---

Man husat i raitim dispela: Mike Edwards, long mun Julai, 1996. Bihain, em i traim long stretim liklik long mun Jun, 1998 na mun Me, 2022.
